

MONASH MEDICAL ORCHESTRA
Since 2011

The Monash Medical Orchestra Sponsors Program offers an opportunity to invest in the future of the orchestra. MMO is going from strength to strength and your sponsorship allows us to build the ensemble and give medical students the chance to continue their musical endeavours alongside their medical studies.

Sponsorship benefits

Founded in 2011, MMO is a not-for-profit ensemble that is fully run for, and by, Monash University Medical students who wish to continue their passion in music. The benefits of sponsoring the orchestra include:

- Association with a unique organisation. MMO is Victoria's first symphony orchestra originating from a single faculty and has 10 years of ongoing philanthropic efforts.
- Connect with audience from the medical, musical and university community, building strong relationships with individuals committed to community engagement and artistic pursuit
- Support MMO's initiatives in fundraising for various charities involved in healthcare
